R25106010011: Install on the left side when mounting plate height is 2.5"-3.5"

R25106010012: Install on the right side when mounting plate height is 2.5"-3.5"

R25106010012: Install on the left side when mounting plate height is 4.0"-5.0"

R25106010011: Install on the right side when mounting plate height is 4.0"-5.0"

Adjustable installation heights: 2.5", 3.0", 3.5", 4.0", 4.5", 5.0"

Bracket installation positions:
2.5", 3.0", 3.5"

Mounting holes at 5"

Mounting holes at 4.5"

Mounting holes at 4"

Bracket installation positions:
2.5", 3.0", 3.5"

Mounting holes at 3.5"

Mounting holes at 3"

Mounting holes at 2.5"

When the mounting plate height is 2.5, 3.0 or 3.5, the bolt installation direction is as shown (hex bolt head on the mounting plate side).
